

WINDSOR & ETON FACELIFT 2022

NEWSLETTER 1 NOVEMBER 2021

Next year, 2022, will mark the Platinum Jubilee of Her Majesty Queen Elizabeth II. To support this unique and momentous historic event. **The Windsor and Eton Society** launched the **“Windsor & Eton Facelift 2022”**, on 13th September at the Castle Hotel, Windsor. The Society is working with the Windsor & Eton Town Partnership and the Royal Borough of Windsor and Maidenhead, in conjunction with the main Committee coordinating the Windsor and Eton Jubilee Celebrations to build excellent support for the Facelift.

Our aim is to have our two towns looking their sparkling best in time for Her Majesty’s Platinum Jubilee celebrations in June 2022, and everyone’s help will be needed!

Speaking at the launch Councillor John Story, Mayor of the Royal Borough of Windsor and Maidenhead said “2022 is going to be a truly historic and landmark year. Despite all the challenges we have had over the last eighteen months, I am sure that the people and businesses of Windsor and Eton will do everything they can to ensure that everywhere looks its best. Facelifts are a time for our community to come together and celebrate the long reign of our Monarch and I am

sure that this one will be a fantastic backcloth to all the events, and everything else that will happen in Windsor and Eton next year.”

Work has already started on a range of projects and more will be up and running in the New Year. A first working party was held at the Heritage Garden in Church Street **on Saturday 6th November**, to clear overgrown vegetation and plant bulbs. The following week the small garden at the top of River Street was also cleared and bulbs planted. The pictures show clearly what a change can be made in just a few hours.

If you think you might be able to help with our projects in the New Year - or later efforts to **“clean, paint and plant”**. Or perhaps you could help by sponsoring a floral display or garden planter, a bench or an information board, then please send your details to wandefacelift2022@gmail.com and a member of our team will be in touch. A £30 donation for example would buy a good-sized shrub, and £80 would sponsor a flower basket for the whole of the summer, including watering!
